TRANSMITTAL OF FUNDS DUE

Sir:

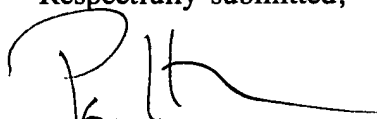

Enclosed with this paper is a check for \$145.00 to cover the cost of the difference between a one month extension of time and a two month extension of time. The extension of time for the second month was granted by the Examiner in the Examiner's Amendment included in the Notice of Allowance. The Patent Office charged our deposit order account for a small entity, but should have charged for a large entity. The enclosed \$145.00 brings the total paid for the extension of time up to \$400.00, which is the correct amount due.
